

### **VISION**

To provide state-of-art Technical Education with Skill Oriented Training to the youth to meet the Industrial Requirements of the region.

### **MISSION**

To offer high quality, contemporary education at the diploma level and thereby enrich the technical capabilities of the rural people and the nation.

To upgrade regularly the facility and the competencies of faculty and staff so that they contribute all-round development of students to become good citizens.

To develop students as good diploma engineers/Technicians and Entrepreneurs useful to society.

### **QUALITY POLICY**

To make continuous based improvement through Competency based education.

- Continuous upgradation of faculty and facilities.
- Linkages with institutions and industries.
- Involvement of students in extra and co-curricular activities.
